

Nissan Forklift Parts

Nissan takes immense pride in reaching total client satisfaction, when their customer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a rich heritage combined with strong manufacturing principals, Nissan lift trucks offer some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the company has four distinct production facilities that allow them to persistently adapt to their customers continually evolving wishes by providing an array of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and processes that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their consumers command whilst being an environmentally aware company.

Nissan is quite confident that any of their consumers queries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
